

GLOBAL BESPOKE SPORTSWEAR SUPPLIERS

SUPPORTING THE EDUCATION OF FUTURE SPORTING STARS

Global Sportswear Partner

We support each individual through their sporting journey,

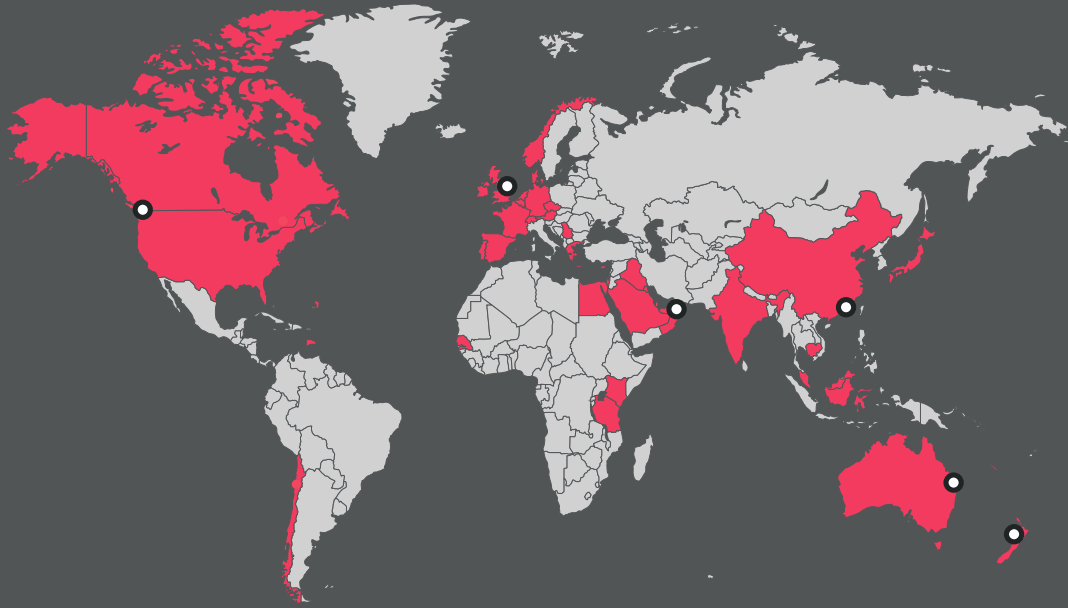

Founded in 1999 Kukri Sports is an international multi-sport specialist producing high quality bespoke teamwear with exceptional customer service.

We support each individual through their sporting journey, encouraging lifelong participation across multiple sports whilst promoting the values of inclusivity, passion and ambition.

We use our many years of experience to support physical activity at all levels regardless of ability, age or gender.

For Kukri a partnership is about engagement and support. We are proud to work with our all our partners in elite sports, grassroots sports and education establishments from all around the world.

YOUR **SPORT**. YOUR **TEAM**. YOUR **DESIGN**.

41 — The number of countries that we supply sportswear to

600+ — The number of schools that we currently support each year

160,000+ — The number of items we manufacture for schools each year

Kukri Sports is a global sportswear supplier with a market presence across the globe, offering bespoke sportswear with local support. We have worldwide distribution channels and have offices stretching across 6 countries. Our stable of educational partners spans the continents and includes some of the most prestigious schools in Europe and around the world.

We offer a high level of flexibility, whilst offering a variety of fulfilment options for our partners, including tailored bespoke ranges, retailing through our bespoke online shops and Kukri branded stock ranges.

Our success is born from the values of our business, our team ethos and our promise to support our customers' needs. Wherever you are in the world, Kukri can support your sportswear needs and provide your educational establishment with an identity to be proud of.
